Sampled C1: fixed rate and stopping
Rare excess half squared loss
Processed observations
none, known
none, centered_fitted
sd, known
sd, centered_fitted
Sampled C2: fixed rate and stopping
Rare excess half squared loss
Processed observations
none, known
none, centered_fitted
sd, known
sd, centered_fitted
Mushroom: aggregate test loss
Half squared loss
n=256, aggregate selection
n=256, rare selection
n=2048, aggregate selection
n=2048, rare selection
none
